

End of term and Summer classes

As this extraordinary term draws to a close we would like to thank everybody who has supported us through sending messages of support, coming to Zoom classes, and responding to emails asking for help in planning next term's timetable (still under construction).

As the government continues to release more guidelines for opening venues and resuming activities we are starting to hear from some of our venues and receive guidance from the RAD and ISTD regarding how we get back into the dance studio safely. We will be working through all the health and safety measures and venue restrictions over the coming weeks to ensure a safe return in September. As we see local lockdowns being imposed around the country we will obviously be keeping an eye on the situation, will be keeping up with current guidelines as they develop and adjust, and will be making sure we only go back to in-person classes as and when it is safe to do so.

We have had some requests for classes over the Summer break so, subject to securing adequate numbers for the classes, we have the following online options on offer for ages 9 years and up. If you have a younger dancer who would like classes please let us know and if the demand is there we will do our best to provide!
