

Photo Call Schedule, Wednesday 16 March 2022

What to bring to rehearsals/photo call and show

YES to **snacks, drinks and quiet activities** to do. A dressing gown or comfortable track suit (with zip up top) is also a good idea as the costumes are not always comfortable to sit in for long periods of time. PLEASE NAME ALL CLOTHING, BOOKS, AND GAMES EQUIPMENT.

NO to **NUTS and SEEDS**, noisy activities, and **items that could ruin costumes** such as chocolate, ribena, or chewing gum. **NO** to any photography or recording of any kind. **NO** to **Fitbits** – as these can't be worn when dancing we are suggesting they are not brought to rehearsals.

All classes will have hair and make-up done, be photographed with their class in costume as a group and individually and the photographs will be displayed in the foyer on performance nights and made available for you to purchase.

PLEASE NOTE - if you are in more than one dance please *wait* until you have had **all group photos taken before going for your individual photograph in your chosen costume**. This does not have to be the last costume you were last photographed in. "Individual" photographs can include siblings and small friendship groups.

Action photographs will also be taken at rehearsals and performances. To ensure that all of these photographs provide everybody with a great way to remember the show, please come with **hair tied back neatly** (and/or bring hair elastics, pins, nets and spray) **with correct socks/tights/shoes/underwear for your costume/s**.

In the interests of security, the photo call and rehearsals are NOT open to visitors. We cannot take responsibility for any child who is not performing and there is no room for adults who are not supervising or working on the show. Registers are taken as the children arrive and leave. Anyone who is not on the register cannot come in.

* Cast can have "individual" shots anytime and will probably have action shots at Dress Rehearsal/show, but if you would like a group shot on stage this can be done here.
