## A NOTE FROM MISS JASMINE...

Wow, what a fantastic first term as Principal of Harpenden Dance School, I am incredibly grateful. It's been such a joy to watch our students grow and progress, and it's made even more special getting to know so many new faces. I am inspired by the passion, hard work, and energy everyone has brought to class—I am so lucky to dance with you all and have the best job in the world.

I'm excited for all that's to come, from exams and performances to even more fun in classes and more holiday workshops.

A heartfelt thank you to all of you for your support through this transition—it means so much. I'm really looking forward to the new term and all the wonderful moments we'll share!

Wishing you all a very Merry Christmas & Happy New Year! xx
